CODE OF CONDUCT

MARA supports the Competition Regulations of USSA which provide a framework in which the various ski programs are developed and operated at all levels. It particularly endorses the policy for sportsmanlike conduct which states that competitors, coaches, officials or other personnel may be reprimanded, disqualified or suspended for conduct at USSA events that is prejudicial to the sport, as recommended by member organizations and so determined by a Division's Board of Directors.

GOOD SPORTSMANSHIP includes, but is not limited to:

- A. Respect for all race officials and ski area employees.
- B. Suitable dress and grooming, courtesy and good manners in public, at races and while traveling.
- C. Self-control, responsible behavior, consideration for other's physical and emotional well-being. No profane or abusive language.
- D. Respect for private and public property.
- E. Abstinence from the illegal use of alcohol and drugs as befitting an athlete, coach or official representing a club, school or ski area.
- F. Respect for lift facilities, lift privileges, and closed areas.
- G. Honest conduct. No theft or misrepresentation whatsoever.
- H. Attendance at awards ceremonies and receptions.
- I. Respect of USSA and FIS rules regarding commercial display at awards ceremonies.

A summary of the Regulations may be found in the USSA Competition Guide. Copies of the complete By-laws and Competition Regulations are available at the USSA Office.

A RACE JURY MAY PREVENT A RACER, DISQUALIFIED FOR MISCONDUCT, FROM COMPETING IN ONE OR MORE FUTURE RACES.
